### Features

- Suitable for various manifold valve types  
SY3000/5000/7000 Series  
SV1000/2000/3000 Series  
VQC1000/2000/4000/5000 Series  
S0700 Series  
Input/output units can also be used stand-alone.
- Compatible with various communication protocols
- Compatible with different input/output types  
Analog: Input/output units  
Digital: Input/output units

Compatible protocols

Made to order
